

-MALBEC GRAN RESERVA-

Grape varieties

100% Malbec

Vineyard location

Agrelo, Luján de Cuyo, Mendoza

Year of vine planting

2000

Soil type

Clay, limestone, rocks

Altitude

1.050 meters above sea level

Production per hectare

4 tons/ha

- Tasting notes

Red wine with a deep red-ruby color and violet hues. It presents fruity aromas such as red fruits and ripe cherries. Very elegant, smooth and fresh in mouth, with a long persistence.

- Ageing

20 months in new French oak barrels

- Ageing potential

15 years

- Type of cork

Natural one piece cork

- Annual production

8.000 bottles

- Best served

Between 14 and 15°C (or between 55 and 60°F)

- Winemaker

Giuseppe Franceschini
